ABOUT COMPANY

Vijay Aluminium was established in 1995 by Mr. Yogesh Patel in Ahmedabad, India. In all of India, we at Vijay Aluminium are specialized in the manufacturing of Aluminium Section, Aluminium Fabrication, Aluminium Scrap, Glass Products and much more. These are manufactured using high quality aluminium as a raw material at our cutting-edge production plant. We pride ourselves on providing products that are simple to install, simple to use, impervious, and require little maintenance.

VISION

Vijay Aluminium is committed to consistent development. Thereby building a stable, global institution - with the resources to deliver the products as per customer's requirements. We offer unparalleled value to create customer delight and enhance business productivity.

MISSION

Striving to be a leader in our field by making innovative products with superior quality, collaborating with customers to reduce costs and build basis for mutual collaboration, and intensifying our efforts towards ongoing financial stability and profitability.
